FIRST-TIME PLAYER GUIDE

Stopped: Both Sides

How to play

Make a choice. Learn why it matters. Explore both sides.

1 Choose your side

Public perspective | **Garda perspective**

Both sides explore the same situations.

2 Start a situation

Try the suggested situation or browse all 14.
A character is ready. You can change it.

3 Read and choose

Read the fictional scene, then choose what you would say or do.

4 Learn from feedback

Read the explanation. Open “Why this matters” and the sources for more detail.

OPTIONAL: EXPLORE BEFORE MOVING ON

Try another answer
Rethink your choice.

See the other side
Same moment, other perspective. Your answers are kept.

NEXT STAGE

5 Continue the situation

Use the continue button to move to the next stage.
Repeat steps 3-5 until the situation ends.

WHEN THE SITUATION ENDS

6 Review and replay

At the end, select “See what you learned”.
Review your choices, try the other perspective or choose another situation.

No sign-up. No timer.

Progress is saved in this browser when storage is available.
